

## Ohio Administrative Code Rule 3701:1-37-22 Reporting of events.

Effective: November 3, 2019

---

(A) The licensee shall immediately notify the LLEA after determining that an unauthorized entry resulted in an actual or attempted theft, sabotage, or diversion of a category one or category two quantity of radioactive material. As soon as possible after initiating a response, but not at the expense of causing delay or interfering with the LLEA response to the event, the licensee shall notify the director at (614) 644-2727 in accordance with rule 3701:1-37-05 of the Administrative Code. In no case shall the notification to the director be later than four hours after the discovery of any attempted or actual theft, sabotage, or diversion.

(B) The licensee shall assess any suspicious activity related to possible theft, sabotage, or diversion of category one or category two quantities of radioactive material and notify the LLEA as appropriate. As soon as possible but not later than four hours after notifying the LLEA, the licensee shall notify the director at (614) 644-2727 in accordance with rule 3701:1-37-05 of the Administrative Code.

(C) The initial telephonic notification to the director required by paragraph (A) of this rule must be followed within a period of thirty days by a written report submitted to the director by an appropriate method listed in rule 3701:1-37-04 of the Administrative Code. The report must include sufficient information for director analysis and evaluation, including identification of any necessary corrective actions to prevent future instances.
